PROFESSIONAL TOOLS

ELECTRIC JACK

651501 / 12V CORDLESS CAR JACK KIT

APPLICATIONS:

- Suitable for most house held vehicles under 5 ton(11023LBS), Sedan and SUV.

FEATURES:

- 2 in 1 functions: hydraulic jack, and built-in LED flashlight.
- Powered by lithium battery.
- Battery charging :AC.
- 5 tonne (11023LBS) lifting capacity.
- Easy to operate by clicking the button on the remote control.
- Built-in ultra bright LED light helps find your lifting area and illuminate your working environment even in the dark at midnight.

Input voltage	DC12V
Rated power	150W
Rated current	15A
Max. loading weight	5 T/11023LBS
Lifting height range	150-450mm / 6"-17.7"
N.W/G.W	18.4/19.5KG
Carton size	53x36x24.5cm(3PCS/CTN)

Kit Accessories included:

65180001
Lithium Battery
12V 6000mAh

+

65170001
AC Battery charger
adapter

73010101
Gloves
one pair

65170002
DC power line with car cigarette
lighter plug 3.5meters/12ft

65170003
Remote Control

651601 / 12V HYDRAULIC FLOOR JACK KIT

APPLICATIONS:

- Suitable for most house held vehicles under 5 ton(11023LBS), Sedan and SUV.

FEATURES:

- 4 in 1 functions: hydraulic jack, air pump, built-in LED headlight and warning flashlight.
- Powered by your vehicle battery.
- Powerful 5 tonne (11023LBS) lifting capacity.
- One touch of the lift button to lift the jack into position.
- Built-in ultra bright LED light helps find your lifting area and illuminate your working environment even in the dark at midnight.
- Built-in tyre inflator inflate your flat tyre within minutes.
- Air pressure gauge detects and show the tire pressure.
- 12V power input works with vehicle power outlet for easy operation.

HYDRAULIC CAR JACK

Voltage	DC12V
Max.current	15A
Rated power	150W
Max.loading weight	5T/11023LBS
Lifting height range	150-450mm 6"-17.7"
N.W/G.W	6.5/7.5KG(1PCS)/20.5/21.5(3PCS)
Carton size	54.5x36.5x25.5cm/3PCS/CTN

AIR PUMP

Voltage	DC12V
Max.current	15A
Max Pressure	150PSI
Rated power	120W
Air flow	35L/min
Length of air hose	60cm

Kit Accessories included:

65170006
Car Safety hammer with window breaker and seat belt cutter for emergency rescue

65170004
Car Battery Clamp with cigarette lighter plug

+

65170002
DC power line with car cigarette lighter plug 3.5meters/12ft

65170005
4pc. 15A Spare Fuses

73010101
Gloves one pair

651602 / 12V HYDRAULIC FLOOR JACK KIT

APPLICATIONS:

- Suitable for most house held vehicles under 5 ton(11023LBS), Sedan and SUV.

FEATURES:

- 3 in 1 functions: hydraulic jack, air pump, and built-in LED headlight.
- Powered by your vehicle battery.
- Powerful 5 tonne (11023LBS) lifting capacity.
- One touch of the lift button to lift the jack into position.
- Built-in ultra bright LED light helps find your lifting area and illuminate your working environment even in the dark at midnight.
- Built-in tyre inflator inflate your flat tyre within minutes.
- Digital air pressure gauge show the tire pressure.
- 12V power input works with vehicle power outlet for easy operation
